Senior Class

THEY CAME: September 7, 1936, the Class of 1939 under the direction of Miss Martin and Miss Bendixon entered into the cycle of Kelso High School life.

THEY DID: 1936-37, the Sophomore Specialty was presented as a colorful and entertaining side show and carnival. 1937-38, the junior play, "Tiger House," a three-act murder mystery, very effectively displayed their dramatic ability. As a parting gift to the graduating seniors of 1938, they presented the most successful prom staged in many years. 1938-39, the solemnity and dignity of the graduation exercises climaxed the last year in high school, which was made memorable by the production of the three-act play, "Three Cornered Moon," and the individual activities of each member.

THEY CONQUERED: They have marked for themselves a permanent place in the history of Kelso High School by their splendid achievements in scholarship, debate, athletics, activities, drama, and music.

Sophomore Class

The Sophomores entered Kelso High School 179 strong, on September 7, 1938, and began immediately to assume the duties and responsibilities of high school. They established a place for themselves in athletics by achieving distinction in football, basketball, and track; in dramatics by presenting the Sophomore Specialty, an entertaining program of originality and talent; in music; and in scholarship by having eleven of their number invited into membership in the Torch Honor Society.

With such a start in scholastic work and activities the class of 1941 should be able to achieve a record that any class should envy.

. M U S I C .

Proud indeed is everyone in school of the progress made in the Music Department this year and of the fine showings made in music tournaments and civic affairs. Not only has the Music Department increased in size and efficiency but it also boasts an entirely new chorus—the boys' chorus, consisting of twenty-five members.

Because of the purchase of a number of new band instruments and the gift of a number of violins, both the band and orchestra have increased skill and efficiency.

This year the band drilled and became a marching band. Led by the two drum majorettes, Violet Poppert and Violet Pannell, they added color and enthusiasm to the games and assemblies.

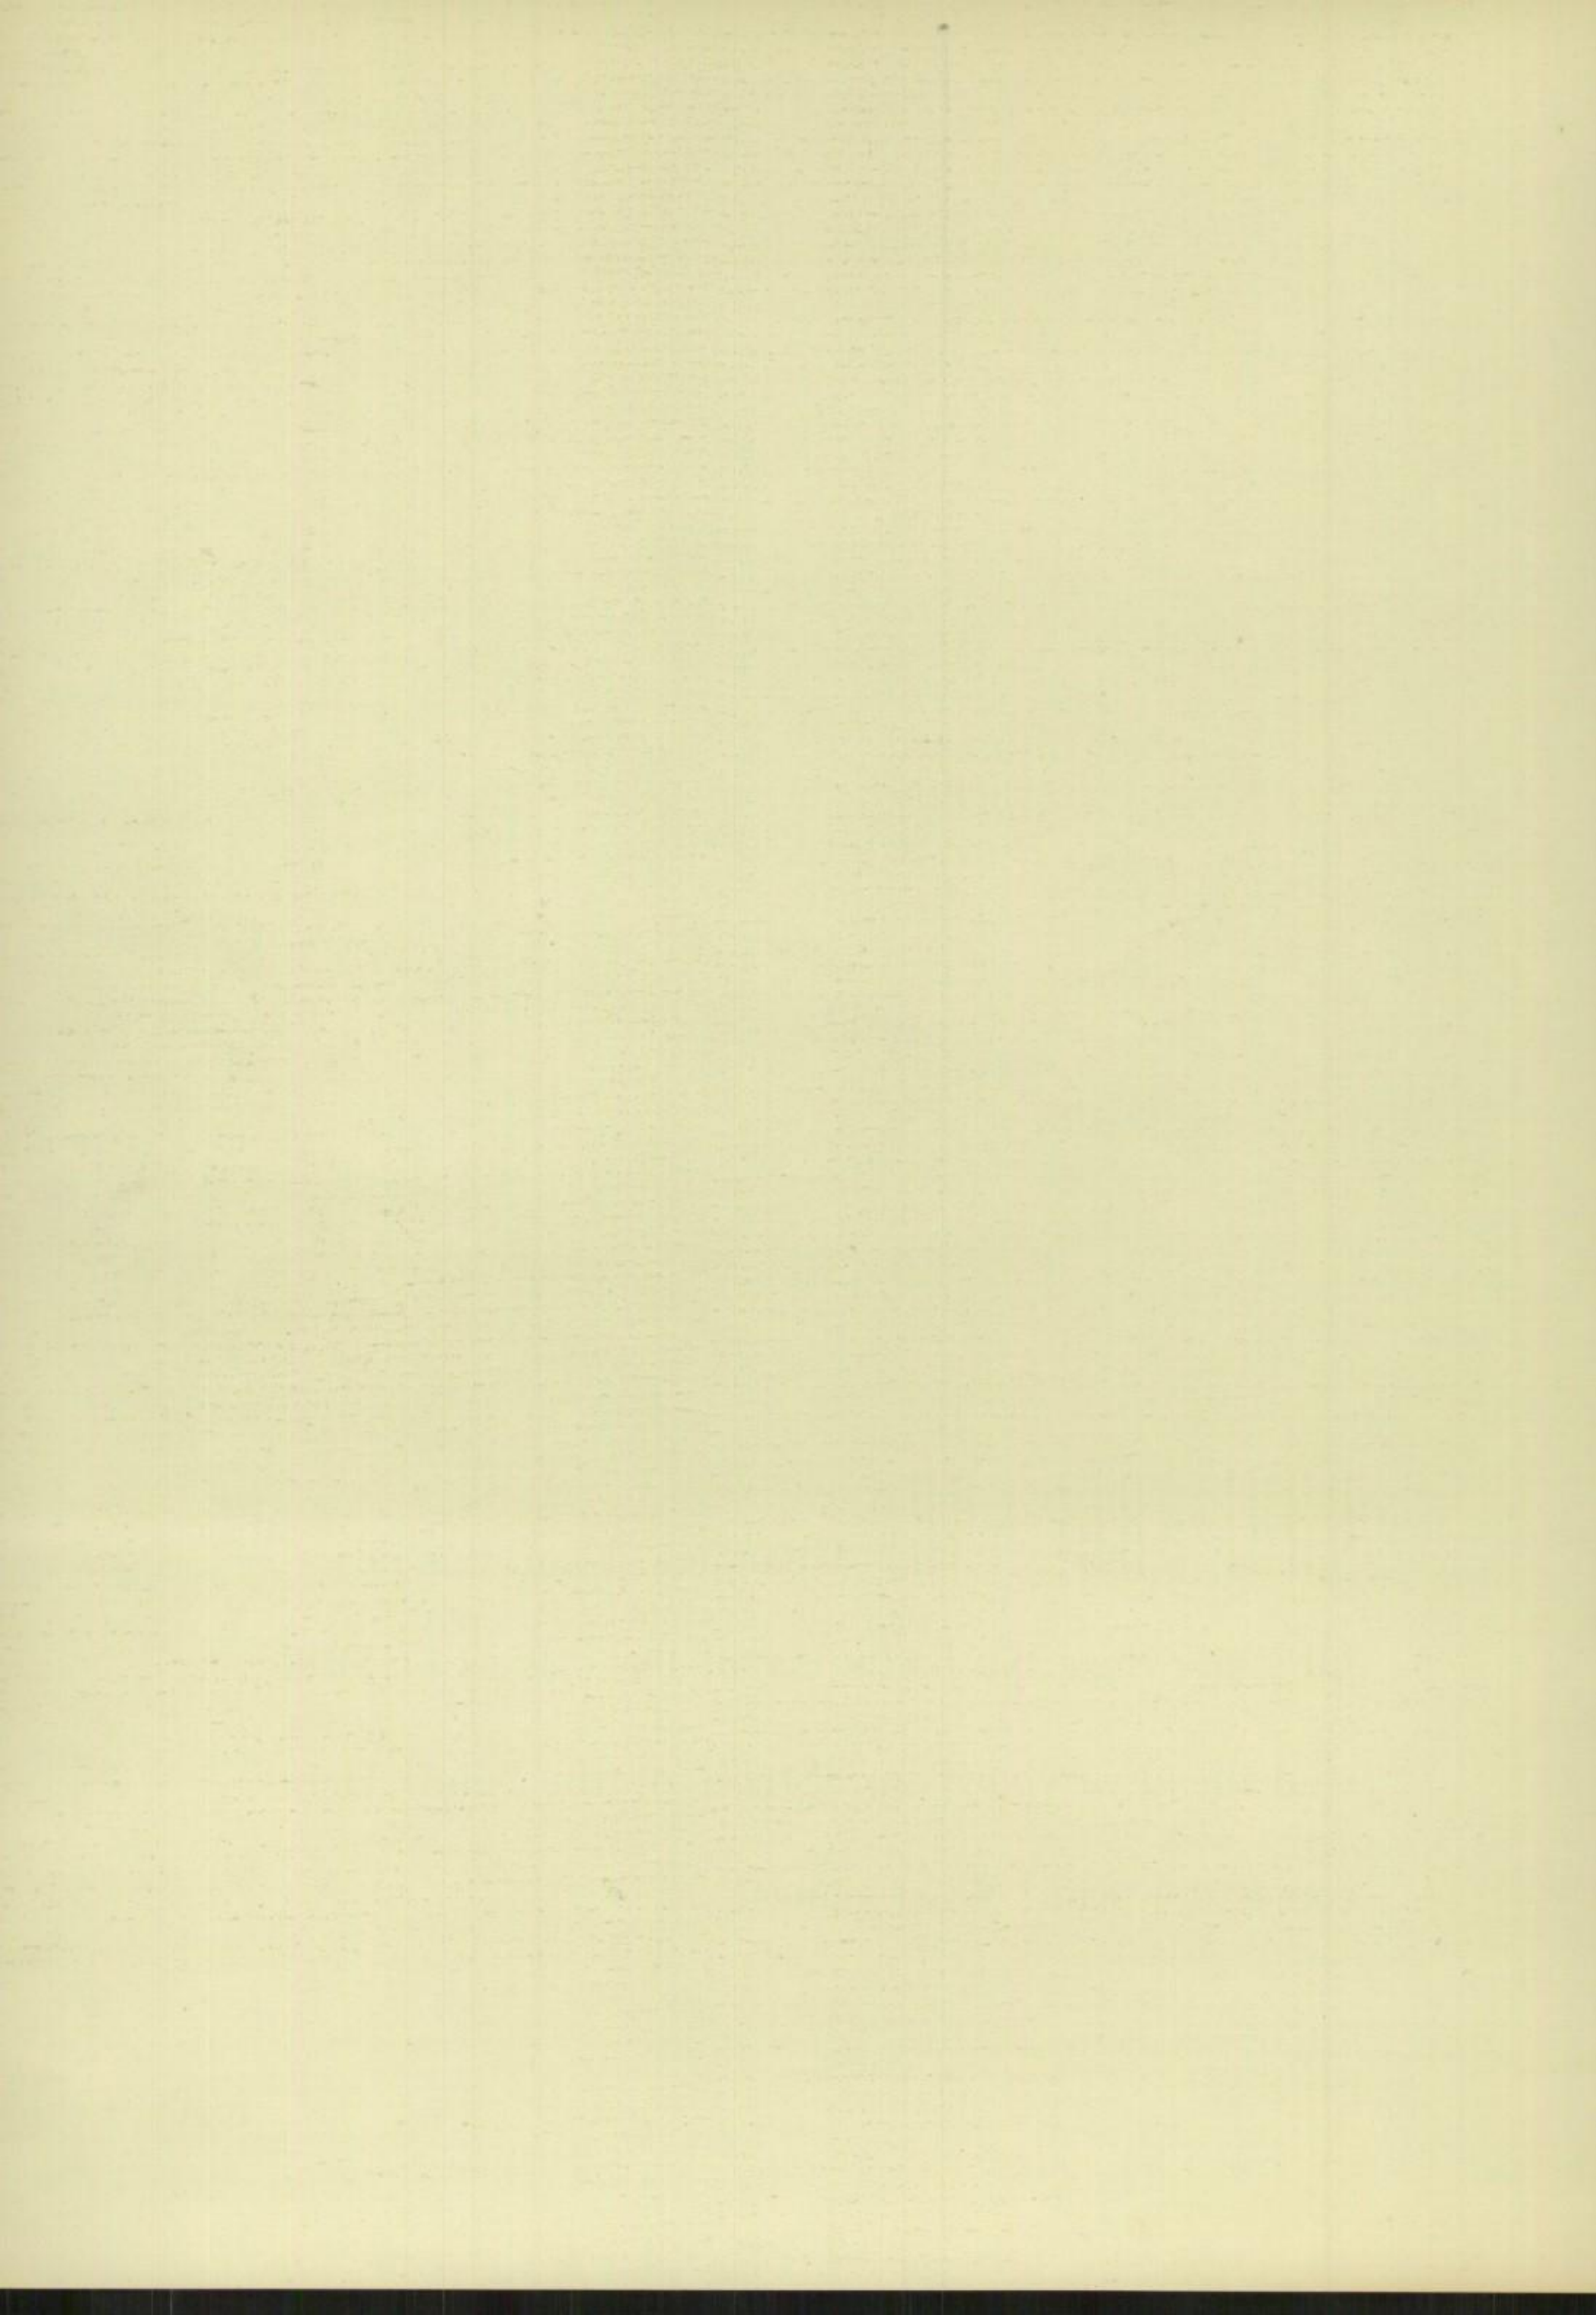

Almost every feature of the Music Department was represented in competition. Lois Tiemens, violin; Bill Wade, trombone; and Willard Kruse, clarinet, went to Tacoma to take part in the Music Festival in February. The mixed chorus received a rating of Excellent in the tournament in Olympia in March. The band and orchestra were both rated Fair in the competition in April.

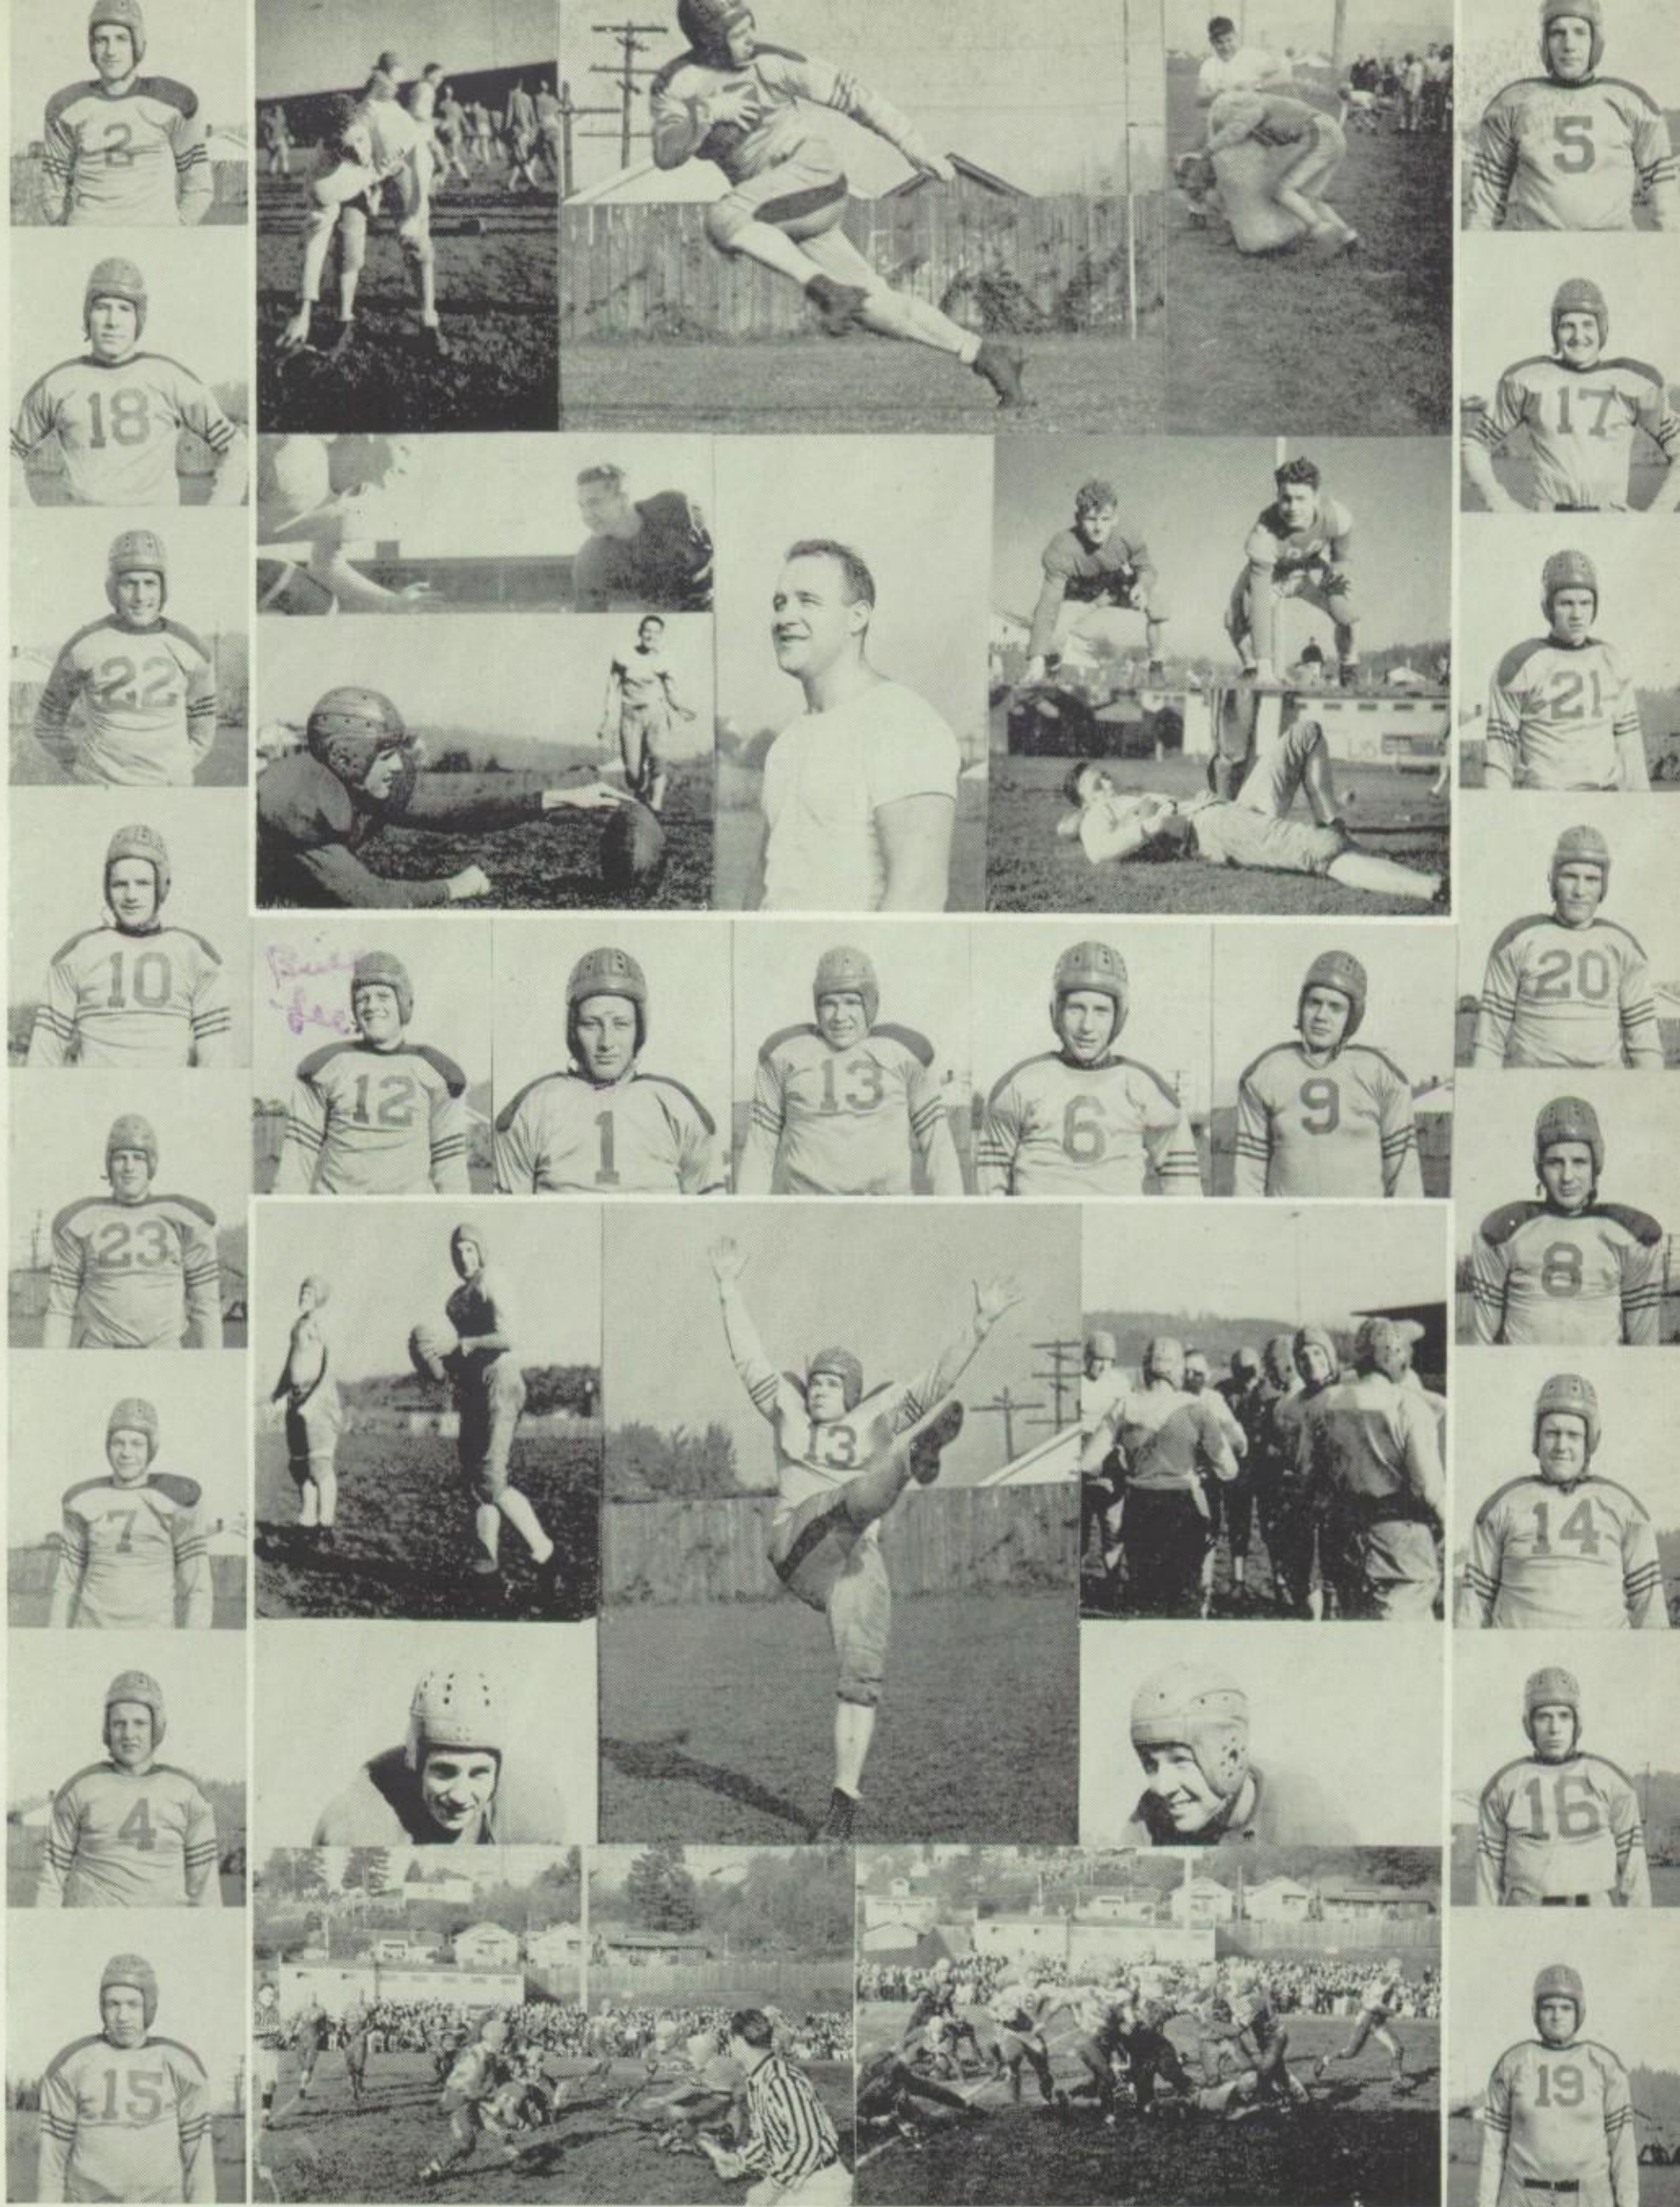

Individual honors go to Margaret Duff, who was rated Excellent for her soprano solo in the Longview competition and to Jean Wagner, who was rated Fair.

Responsible for the success of the department is Mr. Butler, who, through his encouragement, patience, and tireless effort, has given the school a fresh outlook and new hope in the field of music.

RAH! RAH! RAH! Hilanders! Upon this peaceful scene rings the battle cry of the masses of loyal students. Everybody up! Strike up the band! Here comes the team! What games!

FOOTBALL

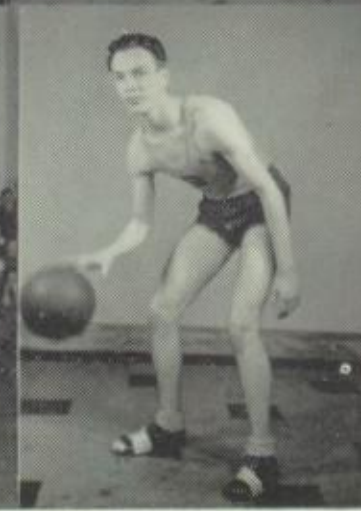

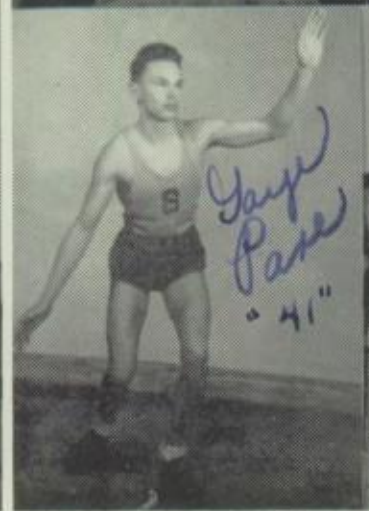

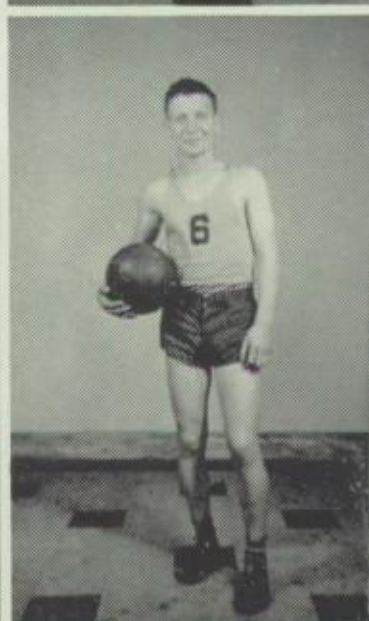

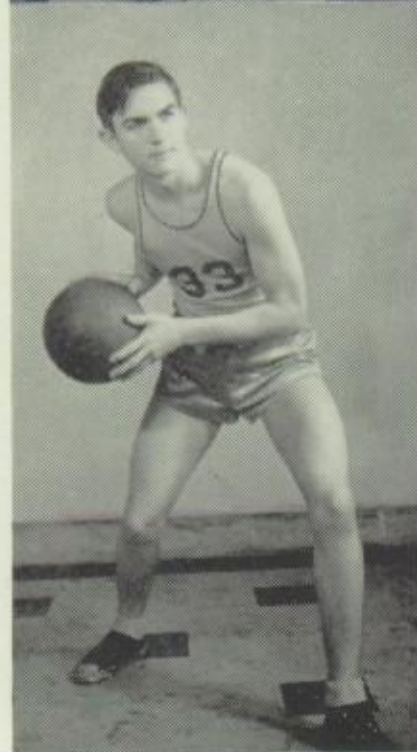

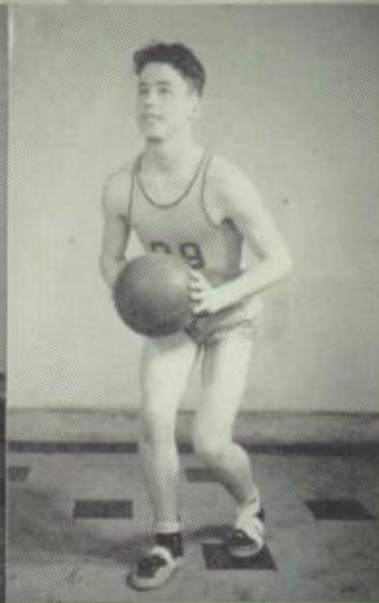

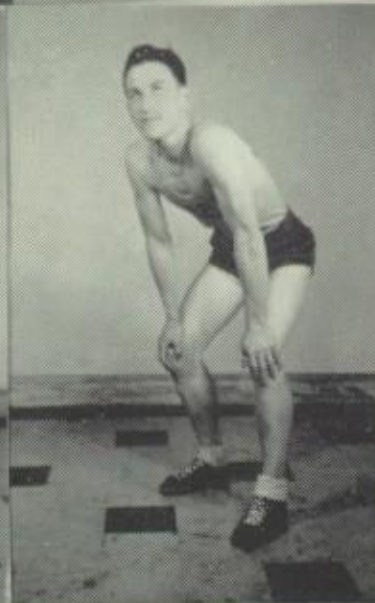

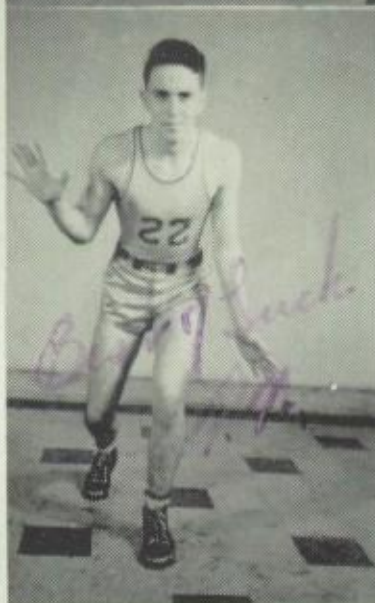

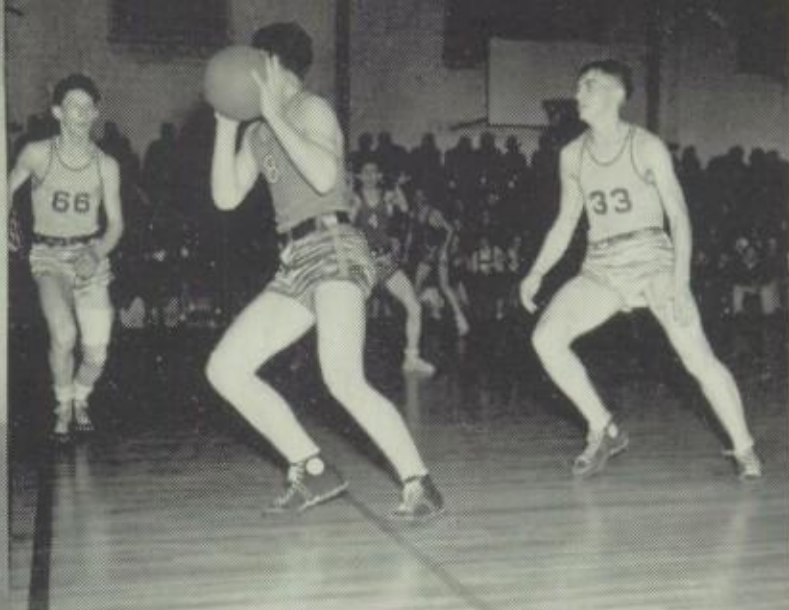

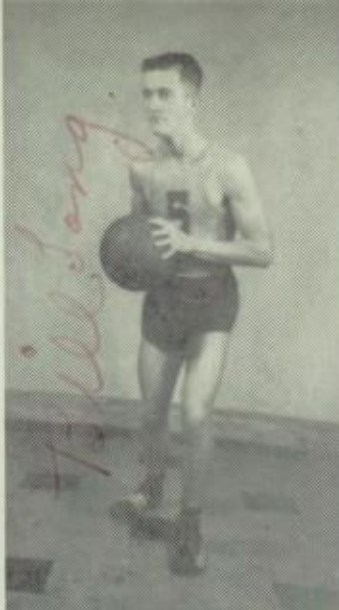

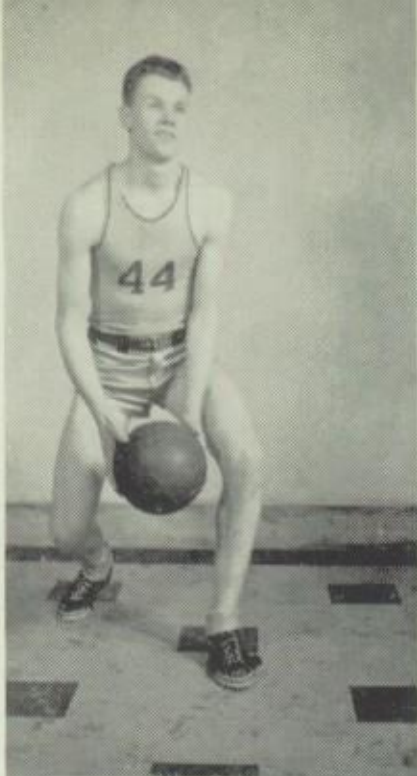

The 1938 edition of the Hilander football squad rolled through the most successful season in years. The boys came through with five victories, four defeats and one tie, ending in third position in the Southwest Washington conference.

The enthusiastic backing of the students together with the large turnouts from the townspeople helped the team in their successful season.

Next year's squad will lose only six members by graduation. Marc McCorkle, Cook Johnson, Frank Johnson, Les Allen, Melvin Greentmyer, and Morris Hoff. These six boys were awarded gold footballs by the Kelso Elks. Marc McCorkle was awarded a gold wrist watch for his outstanding playing. Bill Lee received the Kelsonian award for his ability and fighting spirit.

COACH EMMETT "MUTT" SCHROEDER can chalk up another successful year for he has lead Kelso's football team to third place in all conference games of Southwest Washington.

COACH LEE SONEDECKER has won recognition for his splendid work in bringing second place to Kelso's basketball team.

COACH EMERY PIPER has given Kelso High School his year-round services. He acted as a scout for Mr. Schroeder and Mr. Sonechecker, and when spring came turned all his attention to track.

*Bill Sonecker
in Kelso's school years*

. TRACK .

When the call was given for trackmen this year, thirty boys, in addition to the seven returning lettermen from last year, turned out. Coach Emery Piper was faced with the development of a great deal of raw material. The squad was bolstered by the surprising number of underclassmen who not only made good this year, but also guarantee a source of material in the years to come.

Bob Meyers was chosen captain of the team and led our Hilanders another successful season.

BASEBALL

With only one year of experience credited to all the boys on the baseball team, Mr. Sonedecker developed the players into one of the top-ranking teams in the conference.

The formation of a new Southwest league gave Kelso a hard schedule to play. Six schools—Shelton, Aberdeen, Olympia, Longview, Centralia, and Kelso—compose the league.

Opening their season with a twilight game with Longview, April 14, they swung into action playing sixteen games in six weeks; a seven-game series with Longview and a faculty-varsity game, April 28. Curtis Hockett, John Klockner, Otie Klockner, Russell Miller, Bill Patterson, Marc McCorkle, Allen Morris, Less Hudson, and Bill Lee were the returning lettermen from last year's squad. All are returning except Hudson, Greenamyre, Hockett, and McCorkle.

The battery included Hockett, Pare, Lee, Hudson, Morris, Chambers and Leichhardt.

. GOLF .

This year is one of the most successful golf seasons in the high school. Although two star performers were lost to the team, many underclassmen developed into excellent golfers. A new system of scheduling meets was adopted which attracted a large number of schools to the association. Mr. Sherman Dick has coached several outstanding players, among them Bud Jones, John Martin, Wayne Doble, Gordon Orwig, Bill Hoff, and Eugene Ellis.

HOOT MON, here come the Scots! Plaid skirts

have led the procession of HI-LIFE in Kelso High
